

FOR IMMEDIATE RELEASE**TERRA ENERGY PARTNERS LLC RECEIVES \$300 MILLION EQUITY COMMITMENT FROM KAYNE PRIVATE ENERGY INCOME FUND**

HOUSTON, TEXAS – June 25, 2015 – Terra Energy Partners LLC (“Terra” or the “Company”), an independent oil and natural gas company headquartered in Houston, Texas, is pleased to announce that the Company has received a \$300 million equity commitment from the Kayne Private Energy Income Fund, L.P. (“Kayne Anderson” or the “Fund”) and members of the management team.

Terra is a private exploration and production company formed to pursue the acquisition and development of large, long-life producing oil and gas assets in North America. The Terra management team is led by Michael S. Land, the former President of the Permian and Mid-Continent Business Units at Occidental Petroleum Corp. (“Oxy”). While at Oxy, Michael oversaw operations in South Texas, the Piceance Basin, the Hugoton Basin, the Permian Basin and the Williston Basin and was responsible for managing more than 500 employees, over 750 MMcfe/d of oil and natural gas production and an annual capital budget of more than \$1 billion.

Land commented, “I am excited to be partnering with Kayne Anderson to form this new venture. Kayne Anderson’s technical expertise and financial acumen are best-in-class and will be integral to Terra’s success. I look forward to working closely with them to take advantage of this unique time in the market.”

“We are thrilled to have Michael on board. His track record of excellence at Oxy and his years of operational and commercial experience make him the right person to lead an organization targeting large, producing oil and gas assets,” said Danny Weingeist, Managing Partner at Kayne Anderson.
