

NATIVE EXPLORATION HOLDINGS, LLC RECEIVES \$140 MILLION EQUITY COMMITMENT FROM KAYNE ANDERSON

OKLAHOMA CITY, OK – July 17, 2017 – Native Exploration Holdings, LLC (“Native” or the “Company”) announced today a partnership with Kayne Anderson Energy Funds (“Kayne Anderson”). Kayne Anderson and members of the Native management team have collectively made capital commitments in excess of \$140 million to the Company.

Native is a newly formed independent oil and gas company headquartered in Oklahoma City, Oklahoma. The Company was founded by co-CEOs Lane Gibbs and Matt Whitaker (collectively, the “Founders”) to build upon the Founders’ successful track record of value creation in the Mid-Continent region. Prior to forming the Company, the Founders were highly active in the acquisition of leasehold, minerals and royalties – primarily in the SCOOP and STACK plays of Oklahoma – through their predecessor entity, Native Oil & Gas, LLC.

“The Native team is incredibly excited about the opportunity to partner with Kayne Anderson, and believes this venture will create a great opportunity for Native to continue to exploit its strategy in the Mid-Continent while delivering attractive rates of return,” co-CEOs Lane Gibbs and Matt Whitaker said. “With Kayne Anderson’s successful track record and financial strength, we look forward to a prosperous relationship.”

Chuck Yates, Managing Partner at Kayne Anderson, commented, “We are extremely pleased to partner with two talented entrepreneurs in Lane and Matt. Our investment in Native highlights our strategy of making commitments to proven management teams with excellent relationships and established track records, and we look forward to partnering alongside Native’s success.”

About Native
